

Devil's Printery

Alex finds two printers in the dungeon and two piles of paper on the floor in front of them. It looks like all the pages have been mixed up...

PRINTER A:

1. Our sat watching Oni, Japanese movie. reminded of one weird I In fanfiction, Oedipus gall the chips. when chips out, ogre angry stormed Japanese It reminded of myself watch Ferrell, in growing in North But always one has set the because too to how works.
2. She Will all time money, accusing other spending much. they fighting a car bought. literally heap money make purchase. it it?" asks.
3. "Test beautifully," the in Shakespearean to teacher. voice perfect." educators' program all-the-way that on nurture pupils.
4. Solon Michael at friend's One around it that friend very exterior design. at Christ," Solon. decorated with many and only Michael around. said "What you Solon "Don't see rock over Michael "It exactly my toe!"
5. I on fireplace, it's cold there. wait the warmer. least aren't in tent. can turn the Won't warm we I like fireplace isn't
6. The and may be on farm. they also found the Zodiac. I so. Japanese and favorite of on well the character Yie Kung-Fu, the name. I not.
7. The of into astern was specifically China. president the negotiates overwhelming Seaside, else to willing negotiate President
8. Kristy up large to fish the However whale it it The sailors as whale around. black-and-white go, sailors the to it.
9. The claimed be "Name Australian you've heard that it!" claimed. prove knowledge, what told "The the of York fished their Because lived the these people considered people."

10. Today Ancient History we discussing Sumerian To and of ancient many were — to some its features, as Ziggurat. is good to, the rally workers. the ones first around, know?

11. Matt to his arithmetic in restaurant the Michael dazzles involved, Matt going have hard Nearby, of other who enjoying food “The has God! out five

12. “Hurry, Trade in path the shouted commander his Eddie back. need keep merchants He paraded who the same in words.

PRINTER B:

1. tried do fourth-grade homework the as first-grader observed, become though, is to a time. One the customers was the said, restaurant astronomy... Five of stars!”

2. Ul! sites the of attackers!” the after scout reported “We to the alive!” just die, said exact thing different

3. set a net catch in ocean. a up-sand, tangled up! Other gathered the thrashed The order the stopped boat help

4. pie hen all found a Interestingly, can be on Chinese Coincidence? think The noodle the tea men gas as main of Ar have same Coincidence? think

5. turned the but still in Let’s until cat’s At we camping a Actually, we on hit? get if don’t. feel the working.

6. and arrived their home. look made clear their was into home “Look the gestated “They’ve it so lights it’s September!” looked “I,” Michael. do mean?” asked. you the structure there?” responded, looks like pinky

7. state affairs none relations tense, regarding The of U.S. with Charis. everybody seems be to with Trump.

8. Vinjai to Omnian; an tribe never of, proves he To his here’s he us: Australia coast Cape Peninsula, for food. they near coast, indigenous were “sandbeach”

9. family together Ao a horror This me this really fanfiction read. this an in of nacho But the ran the got and a village. also me when to Will dressed green, up the Pole. I'm the who to up movies, he's old understand technology

10. and Kered the about each the of too Now are over new she "You stall of to that
Was worth William

11. most says character the play his "Thy is This education knows Stoors go to excellent

12. in World class are important city-states. con mark the world, workers required particularly build of key such the It a idea in long, sound Hire sane the time ya
